**Education    ArtCenter College of Design**  
**Pasadena, CA**

09.2014 – Present    Bachelor of Fine Arts in Graphic Design.

**Experience    TEDxACCD**  
**Web Design, Front-End Engineer, Project Management**

05.2017 – Present    Collaborated in a large team to design and organize a TEDx event in the fall. Lead my own group to design and develop the event website. Directed and educated members to produce work with real technical limitations. Strong dynamics and work ethic allowed us to deliver solid results in strict deadlines.

**HP Sponsored Project**  
**Editorial and Interaction Design, Project Management**

01.2017 – 04.2017    Collaborated in a team to design a concept product and user experience for the future of computing. Performed role as project manager for the team, created weekly presentation decks and designed the user interface. Strong team dynamics and concepts allowed us to be one of the top runners in the class.

**ArtCenter College of Design**  
**Teaching Assistant, Visual Interaction Design 1**

01.2016 – Present    Assisted students during in-class exercises, helped mentor and develop student projects, and ran workshops to teach the Processing language. Consistently received positive feedback from both instructor and students of my role in the classroom.

**ArtCenter College of Design**  
**Teaching Assistant, Interactive Design and Development**

09.2016 – Present    Assisted students during in-class critiques, and helped mentor and develop student projects. Student's found my feedback and knowledge of the subject insightful and informative.
